God, you rescue us when we become lost,

You gather us from wayward paths.

You bind up our injuries,

And strengthen us when we are weak.

We know that you are our God,

For we are your people.

You love us through thick and thin!

**And so, we come into your presence this day with praise
and singing!**

****OPENING PRAYER (Unison)**

Most glorious God, we gather here to worship you, to offer you our songs, our praise, our gifts and our attention. As we worship this day, may we experience your love, so that we can love one another and you more fully. May we exchange our will for your will as you are our Shepherd. May we accept the guidance for our lives that only you can provide for our lives. Bless us with your grace so we can feel renewed and empowered to follow you. In Jesus’ name, we pray. Amen
